## **FLIP N FLYER**<sup>®</sup> *Information Sheet* Gyroscopic Flying Disc

The **FLIP N FLYER**<sup>®</sup> is an exciting addition to all General Gift, Sports & Toy Stores. Educational Suppliers, Museum Gift Shops and Science Teachers utilize it for educational purposes, (Gyroscopic Physics).

Kiosks & outdoor Fair / Festival events present special opportunities for increased sales through demonstration. The **Flip N Flyer's** innovative, patented design creates an exciting new 'Freestyle Spin-Sport' that can be played with individually (Solo Entertainment) or with Groups of 2 or more players!

The Holographic designs on both the airfoil and around the outer rim create Dazzling Visual Effects while the disc is spinning... a Kaleidoscope of Colors!  
***The Fun Begins with the Spin...!*** Just start the disc spinning with a 'flick of the wrist' and you're on your way to **Yo-Yo type fun... "Horizontal or Vertical"!**

While the **FLIP N FLYER**<sup>®</sup> is spinning, you can use it to perform a fascinating variety of tricks, from the very basic to the advanced. Check out our website where we have two full pages devoted to "Action Demo Videos". We also include an *Instructional Brochure* with each '**Flip N Flyer**'.

**For Multi-Player Use:** Toss it back and forth as a Flying Disc and you'll see how fun & easy it is to catch by the Gyro-cord. Players can show-off their skill with a few tricks before they toss it back, a fun way to promote creativity and increase hand-eye coordination!

Kids, as well as adults, have a blast playing with it... **FUN FOR ALL, AGES 7 & UP.** It's easy to learn and addictive to play!! And if that wasn't enough...

### ***FLIP N FLYER = FUN SCIENCE***

Use to teach the Physics of Gyroscopic Principles, including:  
Angular Momentum, Rotational Stability, Centrifugal Force, Moment of Inertia, Angular Velocity, Precession, Spin Axis, Center of Gravity, Torque, Mass & Friction.... *The Fun & "Hands-on" way to Demonstrate Gyroscopic Forces at Work!*

### **Sales Aids Available:**

|   |           |
|---|-----------|
| Demo loop videos or DVDs for demonstrations.                  | \$5.00*** |
| 18" x 24" Color Posters.                                      | Free!     |
| Battery operated spin motors attach disc for animated display | \$12.00   |

\*\*\*You will receive a FREE action demo DVD with your first order.

\*\*FREE replacement cords included with each box of 24 **FNF's**.
